

Luigi (Lou) Beccarelli

Chief Operating Officer, Arby's

Luigi (Lou) Beccarelli serves as the Chief Operating Officer of Arby's, part of the Inspire family of restaurants. Inspire is a multi-brand restaurant company whose portfolio includes more than 32,000 Arby's, Baskin-Robbins, Buffalo Wild Wings, Dunkin', Jimmy John's, and SONIC Drive-In restaurants worldwide.

As Chief Operating Officer, Beccarelli is responsible for designing and implementing policies to promote the brand strategy while also ensuring operational execution.

Prior to joining Arby's, Beccarelli served as Regional Vice President and Division Lead at Dunkin'. During his time at Dunkin', he served as market leader, both internationally and domestically, where he drove results by partnering closely with franchise leaders to ensure brand standards were met. He also led a team of six regional Construction Managers who oversaw all feasibility, design, permitting and construction for new store openings, APODS, and remodels for Dunkin' Franchises.

An accomplished business leader and operations executive with more than 30 years of experience providing strategic business planning and sales growth in the retail food industry, Beccarelli began his career as a crew member at Baskin-Robbins.

Beccarelli has extensive experience in all aspects of regional, large-scale operations and brand building, including organization turnarounds, process improvement, risk management, business function design, and team leadership to improve margins and profitability, generate revenue, and expand market presence. He cultivates high-performing, cohesive teams focused on culture change and positive results through a Pacesetter and Servant Leadership style that unlocks diversity of thought and positive disruption.

Beccarelli is an alumnus of St. John's University, where he received

a bachelor's degree in Finance. He currently serves as a board member of the Arby's Foundation and formerly served as a board member of the Dunkin' Joy in Childhood Foundation.
